

DPD-7974-59

20 November 1959

Dear Sid,

In confirmation of our telephone conversation of 20 November 1959 the following request has been received from [redacted]

"Hycon has 73-B, Number 14 ready for flight test. Estimate 70 man hours. [redacted] will approve work subject to [redacted] concurrence.

Suggest [redacted] consider giving [redacted] authority to approve Fog routine Hycon work this nature. For non-routine Hycon work, [redacted] approval will be secured."

Your formal reply as to your desires regarding the above proposals is requested.

Dan
